Before you start

What this book is

Twenty rounds of friendly, multiple-choice trivia in large print: the decades, films, TV, music, holidays, sports, faith and everyday life. Each round has 20 questions and its answers come right after it, so you can play one round at a time.

How to play

Read a question aloud, or hand out the pages. Everyone picks A, B or C. Talking about the answers is half the fun - many questions bring back a memory or a story. There is no need to keep score unless you want to.

Your licence

Care home licence: print unlimited copies for all residents, clients and staff of one care home, senior center, day program or agency location. Please do not resell or share the files.

Printing

Print at 100% ("actual size") on plain paper. Black and white is fine. Print only the rounds you need.
